Benefits Statement

Each year, 90 days prior to your client's birthday, the Social Security Administration (SSA) mails their annual Social Security Statement showing reported earnings history as well as estimates of benefit amounts available under the Social Security programs.

Your client doesn't have a benefits statement? No problem. Social Security Statements are available online. Have your clients go to SSA's secure site (<https://secure.ssa.gov/RIL/SiView.do>) and create a "my Social Security" account where they can view and print their Social Security Statement at any time.
